BSA Troop 55 is a small troop in Lemoyne, PA. We are committed to providing a challenging practical educational experience in a fun environment for boys. We believe encouraging self-determination helps develop youth into leaders.

On July 29, 2017 at 9:00 am we will be hosting a beginner's kayak training course at the Conewago Day Use Area at Gifford Pinchot State Park. We will cover the basics of kayaking, from choosing and fitting a Personal Flotation Device (PFD) to choosing a paddle and basic paddling skills. There is no charge for the training, but if after the training you wish to go kayaking, Pinchot offers kayak rentals.
